

## **National Joint Council Directives and the Public Service Health, Disability and Dental Care Plans and Membership Input**

The Bargaining Agents and the Employer undertake regular periodic review of the various NJC Directives and the Public Service Health, Disability and Dental Care Plans. CAPE is asking for members' input regarding these. We have established a link on our homepage to the Directives and Plans, and will be advising CAPE members of impending deadlines for providing input for the various Directives and Plans. Input can be submitted for all Directives and Plans by e-mailing the [completed form](#). A designated e-mail address has been established to receive members' input: <mailto:njc.cnm.dir.suggestions@acep-cape.ca>

Input can be provided at any time and will be used when the Directives or Plans are being reviewed. At this time, CAPE is soliciting comments regarding the [NJC Travel Directive](#). Members have until Thursday October 20 to provide CAPE with input that will be used in the upcoming review of this Directive. Members are asked to please provide us with input before that date.
